

DISCLAIMER

HELLO MANGA FANS, I'M WRITING THIS TO LET YOU KNOW THE STATE OF PROJECT FINALBOSS' SCANLATION TEAM. WE'RE MADE UP MOSTLY OF THREE PEOPLE, BUT DUE TO SOME PERSONAL CIRCUMSTANCES, ONE OF OUR MEMBERS ARE TAKING A LEAVE OF ABSENCE. SINCE THE OTHER TEAM MEMBER HAS LITTLE EXPERIENCE AT CLEANING, THAT LEFT ME NO OTHER OPTION BUT TO DO THE WORK MYSELF. COMPARED TO THE MAIN GUY THAT DOES IT, YOU'LL NOTICE THAT THE SCANS ARE...MEH TO SAY THE LEAST. I TRIED MY BEST SO YOU'LL HAVE TO PUT UP WITH MY LACK OF SKILLS UNTIL EITHER I FIND A REPLACEMENT, OR THE GUY THAT DOES THE CLEANING FINISHES UP WHATEVER HE HAS TO DO IN THE REAL WORLD AND COME BACK TO WORK ON THE SCANS. SORRY FOR THE INCONVENIENCE AND I HOPE THIS DOESN'T KEEP YOU FROM ENJOYING THE MANGA WE WORK ON.

THANKS,

-FINALBOSS

"You

Game
42

Recap:

While Midari is looking over Kazuma as he is rehabilitating, Tsukasa is contemplating what to do about their relationship. When Midari and Tsukasa finally meet again, he drops a bombshell by telling her that they should break up. He breaks the news to her that she is actually in love with Kazuma. How will she take it?

Yamate

I love
Kazuma?

I...

Are you
crying?

I have
to go!

Don't worry,
it's nothing

No-aa

Game
42

Yamato...?

Serael

Can I speak
to you?

Shinbashi-kun

My head
is in chaos.

But then
why...

Did Kazuo's
face
appear in my
mind at that
moment...?

Takase
said...

That my
love for him
was not
a lie.

I don't
understand!

My own
feelings are
confusing me

I
can't
sleep
...

The only
thing I
noticed
is that,

Kazuma got back.
the only thing
on my mind
was protecting
Tsukasa.

But even so,
this hurts
so much

my
feelings for
Kazuma

Farewell
Tsukasa,

it
was all
so sudden.

I can't
understand
anything.

Forgive me,
Tsukasa...

Forgive
me...

Say,
Yomotsu

You don't
look so
good today,
ah...

Sorry

Eh
...?

Will you be
transferred
to a hospital
for from here?

They say
that he healed
several people,
with problems
similar
to the
one I have.

He will
take over
my situation.

Yeah.

It seems
that there
is an excellent
doctor
in that city.

He told
me.

That
city
is
for
from
here

It takes
about two hours
by
bullet train.

Ka-
zu-
ma...

As my leg
is now,
it will
be impossible
to run
like it used to.

Because

Eh

...

As long as
there is a small
chance of
being healed,

I'm going
to fight.

I'll come
back to
the country
one day.

Of
course
I
won't
give up,

SHIN-
BASHI

Kazu-
ma...

Hino Tsukasa,
from the
school Jousai.

Already applied
and considered
"the best"
of the
championship!

Listen to
this crowd as
they watch
the favorites
enter the field.

Kazuma
was
transferred
from the
hospital

A
month
after

The winter
championship
preliminaries
began.

This
is key,
and
there
is no doubt
that Jousai
school will
win.

It
will eventually
be between
our schools?

As
AOBA
is in
the opposite
direction

Tsukasa
so...

10

Since
long
before,

Tsukasa
shone
from the
back

Strong and
magnificently

AH....

Tsukasa
really,

began to
find his
own path.

10

The match is over!

An easy victory for Jousei in the first match:

TIGHTENS

Oh.....
Yomotel

I'm just
hesitating.

Another
foiled
shot!

Game 3 AOBA vs Sankou

Captain.

YAMATE...

Sorry...

It looks like they will call in a replacement.

Lost the best opportunity to score a goal.

You're going to be substituted.

Yamate.

Is she hurt?

Is everything alright?

Hey!!

Midori-chan is going to get substituted.

Midori

It was as if
my body

Couldn't react in time,
I was unable
to move.

I couldn't play
at all.

This never
happened
to me
before.

It's suffocating

to play
outside.

Silly,

You just
have
to play,

just like
always,
with a big
smile.

Every
time,

He always
scolded me.

He encouraged
me when
I was at
my lowest point.

Just
now,

Kazuma was
by my side

I want
him to
scold me

I want
him by
my side

I want
to hear
your voice,

That familiar
voice filled
with kindness

I understand now.

But

I always thought that...

The reason my chest hurt at the time...

I loved Kazuma as a friend.

I also understand

why I avoided Kazuma at the time.

began to see Kazuma as a "man".

at some point

I

Tsukasa
knew
all along.

That's
why he
was so
insecure...

Ah...

Now...

I hurt
them
both.

But

Now its too
late to
find out
for sure.

That
match
just now

was
horrible.

I didn't
break up
with you

so
that
you would
suffer

Tsuka-
sa!?

It makes
no sense
to separate
from you,

If separation
ends up
making you
unhappy.

an
important
person to
me
suddenly

I know
this because
I lost

farewells
will
become
eternal
ones

No one
knows
when

while
you're
still alive

You must
convey
how you
feel

When that
time comes

It'll be
useless
to
have
regrets.

Don't
waste
another
moment

You
must
confess
them

If you
want to
convey
important
feelings

Go
confess
your
feelings

to
no.

I'll
be
waiting

For
our
final
game.

will
surely
be in
the finals.

We,
from the
school
Festival

Don't
disappoint
me.

called
Yamate
Midori

The
only rival
I recognize
is a person

Tsukasa
!!

How
much did
I love
Tsukasa?

Because he
loves me,

He gave
me,

My
happiness.

Alone

Because he
loved me,

I was able
to realize,

that Kazuma
was always
in my
heart.

TSUKA-
GAI!

Thank
you...!!

I love you
so much,
Tsukasa...!!

You know
I...

You'll
be a
very
important
person
to me...!!

From
now on
and
forever,

Yes.

I feel
the same
way
Midori

Its something

far beyond
love

Be it
man
or
woman

Midori

...

Tsukasa

...

You
are an
extremely
important
person

TIGHTENING

Thank you
so much,
Tsukasa

I truly
appreciate
it

He loved me
so deeply.

How
ironic

Than
at any
other time.

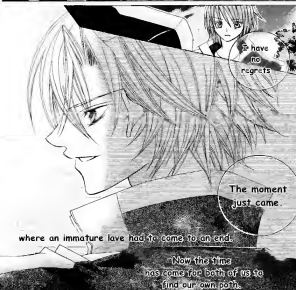

Now that
she realized
her love

Shines
much more
beautifully

towards
number 7,
Midori,

Although we
separated,

The time
that was
spent next
to her
was not
useless.

Things that I
will carry with
me forever.

She
taught me
many things,

I was
completely
exhausted.

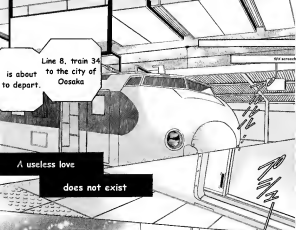

In
order to
feel alive.

I desperately
used both the body
and the heart of
Midori.

It
was an
immature
love

I
was
wounded
and
childish

But
our love
was
serious

Line 8, train 34
is about to depart.
to the city of
Osaka

A useless love

does not exist

Love comes
in many forms,

And none is false.

Protecting
and
rescuing
a sad
destiny.

That
was
my love
for
Takase.

Together,

or separated

Kazuma...

I

now clearly
understand my
own feelings.

The appreciation
and respect
I felt
for you.

At some
point in
time,
those feelings
became love.

Yes

You have
made
great
progress

But,
Shirobashi-kun,

Don't
overexert
yourself
too
much
during
rehab.

You're
always
trying
so
hard.

Yes!
